1. Policy Introduction

Dealing in shares and securities in a listed company while in possession of Inside Information, is prohibited under the Kingdom of Bahrain's law and regulations.^{1 2}

As an added layer of security and transparency, the Bahrain Bourse mandates each Issuer (in this case Beyon) to issue, maintain and enforce a Key Person Dealing Policy regarding dealing with shares and other securities of the Issuer by members of its board of directors, senior management and such other persons as decided by the Issuer's board of directors to have access to inside information relating to the Issuer from time to time.³ These rules relating to the dealing of Beyon's shares shall apply equally to any person under his/her guardianship or control, also referred to as a "Connected Person" (as defined below).

This Key Persons Dealing Policy (the "**Policy**") provides guidelines to Beyon staff members and other Key Persons with respect to dealing with Beyon shares and securities.

While Key Persons may have access to Inside Information from time to time by nature of their duties performed, they do not necessarily always possess Inside Information. This fact distinguishes Key Persons from insiders dealing by Key Persons of an Issuer, does therefore not necessarily constitute insider trading.

2. Scope

The guidelines set forth below are introduced to ensure that Key Persons are aware of the legal and administrative requirements regarding the holding and trading of Beyon securities, with the primary objectives of preventing abuse of Inside Information.

¹ Central Bank of Bahrain (CBB) Law, Chapter 1 of Part 5 (in particular Art 100)

² CBB Volume 6 "Market Abuse & Manipulation".
